

Snowdon[®] XL

The Snowdon[®] XL clay inter-locking tile is the largest clay roof tile on the market. With only 5.5 tiles per m² it gives amazing coverage and is suitable for large open roof areas.

It is not only aesthetically pleasing, but it is reminiscent of traditional large format slate roofs. Tested down to 15.5°, the Snowdon[®] XL is a great low pitch roofing solution.

- ✓ Only 5.5 tiles per m²
- ✓ Colours available: Black, Reclaimed Heather and Reclaimed Green
- ✓ Superb coverage and performance
- ✓ 60 year guarantee
- ✓ Fast installation
- ✓ Ideal solution for low pitch and large open roof areas

Snowdon® XL (Riven)

Suitable for pitches as low as 15.5 degrees

One of the largest clay roof tiles ever made. 510mm high x 457mm wide

Speed of installation with approximately 5.5 tiles per m²
